

back-to-school

Dear families,

I am so excited to have the opportunity to teach your sons and daughters this year! I have always had a special place in my heart for children, and especially third graders!

I have been teaching since December of 2000. I taught at Redner for a year and a half and then I moved over to Childs where I have loved every minute! I enjoy teaching all subjects but my favorite subject to teach is Social Studies! I will be incorporating the Social Studies daily into everything we do. I have set up an incredible post card project with teachers in all 50 states, and we will be writing to pen pals.

In this booklet, I have included just about everything you will need to know for the school year. My discipline plan is included, the classroom rules, a suggested supply list, information about field trips and volunteering in the classroom, as well as some sample forms for you to look at, as I will be sending them home on a monthly basis.

I would like to meet before the Open House to have adequate time to discuss your child and for us to have an opportunity to start working together. Please call (734) 484-7000x8235 for an appointment. I am available Tuesday-Friday from 4:00-7:00. Please consider this opportunity and bring whatever you can to help me learn more about your child's specific needs!

Thank you!

Ms. Kramer
