

Welcome

Hello! I am Cathy Walker and I am super excited to be your child's fourth grade teacher! I think fourth graders are absolutely frog-tastic!! Our classroom has a frog theme, so I hope you love frogs as much as I do! If not, I'm sure by the end of the year, you will!!

I just know that this school year is going to be the best ever for all of us! This is my second year teaching fourth grade and my ninth year in education. I have four years of experience in third grade and three years of experience in fifth grade. I think fourth is the perfect place to be!

I have a website that's full of wonderful information for everyone in your family. There's a parent section with great links and information about fourth grade, there's a monthly events page where you'll find up-to-the-minute information about things happening at school and in our classroom, and there's a games page for the kids (of all ages). I have a section called "Inside Mrs. Walker's Classroom" and that's where you'll find everything related to our class (birthdays, star students, a tour of our room, newsletters, etc.). I hope you'll check it out and leave me a comment telling me what you thought! Make sure to bookmark the address (www.steveandcat.net/mrswalker).

You'll also find my Blackboard page to be full of wonderful resources that might or might not be found on the website. There's a terrific section specifically for writing. As you know, fourth grade is the BIG writing year and we'll be taking the writing test. Rest assured, we'll spend plenty of time preparing and by the time March arrives, we'll be writing pros!!

I cannot wait to meet each and every one of you and your frog-tastic children!! We'll be having a meet the teacher on Thursday, July 3rd from 3:00-4:00. I hope you'll stop by and say hello!!

My email at school is cwalker2@wcpss.net and I also have a home email that is specifically for my students and parents. That email is grade4teacher@gmail.com. I hope you'll drop me an email and say hello!

I am really looking forward to this school year and working together as a team to make this the best year ever!!

Mrs. Walker
