

Oak Grove Ecology Club Interest Form for 2009-2010

If you are interested in becoming a "Green Otter" for the 2009-2010 school-year, please read this letter and complete the bottom portion. Have your parent sign it, give it to your teacher, and they will return it to Mrs. Walker!

The Ecology Club meets every other Thursday from 4:00-5:00 in Mrs. Walker's classroom. When Mrs. Walker is tracked out, there are no meetings. We have a website (www.steveandcat.net/mrswalker/green_otters) with pictures, information, and the calendar of meetings/events. Please look at the website before deciding to join the Ecology Club.

There may be other clubs that are formed at Oak Grove. Please do not join the Ecology Club if you think you'd want to join another club later in the year. We are looking for members that are passionate about the Earth, and doing things to help our planet! If you think recycling is important, and you want to learn more about what you can do (and your family) to help the Earth, join us!!

Each child will be required to have his/her own gloves because we'll be cleaning up the school campus!! There are committees that members will join and there are opportunities to lead a committee! You will also need your parent's permission AND your current teacher will need to recommend you!

think green!

recycle - reduce - reuse

This club is ONLY available to the rising 4th and 5th grade students at Oak Grove. There are no guarantees made about membership. If there are too many interested children, membership will be selected by Mrs. Walker and current teachers.

Please return this form to your teacher by June 1st (Tracks 1, 3 and 4) and by June 12th for track 2 students.

Go Green!! Mrs. Walker

Name: _____ Current Teacher: _____

I give my child permission to join the Ecology Club. I will make sure to pick him/her up at 5:00 in Mrs. Walker's room on days that the club meets.
