

## Oak Grove Elementary Ecology Club 2009-2010

Dear \_\_\_\_\_,

Thank you for expressing interest in being an officer for the 2009-2010 school year!! Being an officer is a very exciting way to be apart of the Ecology Club. You will need to be in close contact with me, and your fellow officers. It's a lot of responsibility, and your parents will need to be fully supportive!

You will need to write why you would like to be selected for the position in which you're expressing interest. You can type your information on a separate sheet (remember to attach it to this form) or you can write on this form. Feel free to use the back if needed. Please be sure to give examples that will support you and can help me make the best decision for the club. Lastly, please make sure you have a parent (or both), or guardian sign this form for you. Please return this form to be on/before Thursday, June 4<sup>th</sup>, 2009.

I would like to be considered for \_\_\_\_\_. This is why:

I/We fully support our child's decision to pursue an officer position for 2009-2010!
