Hello Ms. Kramer...soon to be Mrs. Walker-

*I was just checking the update on your site. I am so proud for you and Mr. Walker. We just finished up our 5<sup>th</sup> grade ceremony. That means I'll be the 5<sup>th</sup> grade teacher next year and I am extremely nervous. Do you have a behavior management system you could share? They have one here, but I'd like something within my classroom. We are inner city and my kids come with very little discipline. I would like to help them establish that inner pride and self determination that they will need to be successful.*

*I wish you all the best and if you don't mind...would like to stay in touch with you. I'll attach a picture of me so you can get an idea of who is writing to you. I feel I know so much about you from your site.*
